Agreement terms

Agency placement agreement This agreement is made on 2026-07-22 between Test Employer and Test Job Seeker for the role of Caregiver. Term and salary The placement begins on 2026-08-01 and ends on Open-ended. The anticipated monthly salary is KES 10,000. Salary remains a matter agreed between employer and employee and must comply with applicable law. Agency charges The employer office charge is KES 6,000. The candidate agency contribution recorded for this placement is KES 0. Payments are receipted after verification and are non-refundable or non-transferable except where an eligible replacement applies. Responsibilities The employer is responsible for the employee during the contract, including agreed pay, working conditions and safety. Any required medical test is paid for by the employer unless the parties record a different lawful agreement. Replacement Up to two eligible replacements may be considered within the first month. A complaint must be recorded through the agency. Days already worked remain payable. A replacement changes the placement record and requires a formal amendment and fresh acceptance. Conduct and property Both parties must act lawfully, honestly and respectfully. The agency screens and supports placements but cannot guarantee future conduct. Complaints, loss or damage will be reviewed according to the facts, signed terms and applicable law. Declaration Both parties confirm that they have reviewed the role, salary, agency charges, duties and current agency procedures before signing.
